All,

This is an FYI that we're responding today to a Public Record Request which includes any email in staff's possession To/From/CC board members. Staff tries to maintain a clean inbox/outbox, but as you might imagine, it's tough to stay on top of it.

These records will most likely end up on a blog, but I don't believe there's anything to be alarmed about. Let this be a reminder to be extra thoughtful about what we put in writing, as everything is subject to the CA Public Records Act.

Best,

Ellen Riotto
